50 and over	\$2.00 per/acre above 50

Waivers may be available upon request for small tracts with limited disturbance, see #4, applicability of fee schedule, page 2.

APPLICABILITY OF FEE SCHEDULE

1. The fee schedule shall apply to those plans that are submitted to the Sullivan County Conservation District for an adequacy review determination related to Chapter 102 (Erosion and Sedimentation Pollution Control Regulations).
2. Each re-submission for a separate project on the same tract of land will be charged according to the fee schedule.
3. Fees will be waived for an application submitted under the name of a government sub-unit of the United States or the Commonwealth of Pennsylvania.
4. The fee may be waived or reduced for projects with extremely limited earthmoving but the Sullivan County Conservation District is the sole determinant of this waiver. Consideration will be given to those requests made in advance in writing.
5. Plans re-submitted for a second review will not be assessed an additional fee. All plans resubmitted for third or subsequent reviews will be subject to a review fee of  $\frac{1}{4}$  (25%) of the original fee.
6. Approval letters are valid for two (2) years from the date of issuance. Approvals can be extended by letter of request submitted at least 1 month prior to expiration.
7. Requests for approvals of major revisions to previously approved projects will be subject to a review fee of  $\frac{1}{4}$ (25%) of the original fee.
8. Applications consisting of both commercial and residential components will be assessed by calculating a separate fee for each applicable portion of the project and combining the separate totals.
9. Agricultural plowing and tilling is exempt from the fee schedule for those activities covered by an approved conservation plan.
10. Fees for phased projects will be assessed for each individual phase as it is proposed for development.

PROCEDURES

1. Applicants will submit one copy of the complete subdivision or site plan and a copy of the erosion and sedimentation pollution control narrative, a completed application form (not required when application is made for an NPDES permit for Construction Activities at the same time), a location map (USGS Quad. Map is recommended), and a check or money order payable to the "Sullivan County Conservation District". No cash payments will be accepted.
2. The Conservation District review fee shall not be combined with any other required fees.
3. Submissions not containing the appropriate information will not be reviewed. The applicant will be informed of any additional information or fees needed for a review.
4. A \$30.00 charge will be assessed for any check refused by the bank for insufficient funds, and the entire application package will be returned to the applicant.
5. Applications for the NPDES permit for construction activities require a separate check made payable to the "Sullivan County Conservation District".
